Veterans Day program

This year in lieu of a school assembly to recognize our local veterans, our students will be sending cards of appreciation. Please call the office (785-4081) or send an email to hesoffice@fivetowns.net with your name and address if you would like to participate in our celebration by receiving notes from our students.

Second Grade

This week second graders learned about trees. They learned about deciduous and coniferous trees and their differences. Students labeled the parts of a tree. They discovered that by counting a tree's annual rings you can tell how old a tree is. Over the next few weeks we will continue our study of trees and the changes that will occur in our Maine forests.

Third Grade

Third grade got to use our brand new colorful African drums. They will be used in Mrs. Burcalow's general music classes for grades K-5.

Sixth Grade News

Sixth grade students in Mrs. Morgenstern's social studies class visited the Blaine House, State House, and Maine State Museum this week.

First Grade

Boot Drive

Look for a box in the lobby or outside of the first grade classroom if you have a donation.

Do you have rain boots your family has outgrown?

Any extra pairs you'd love to pass along?

The first grade is looking for boots that are **waterproof** and good for rain and wet grass as we venture into more nature-based units of study.

Rubber boots, Bog Boots, Muck Boots,
RAIN BOOTS ... **Anything waterproof will do!**

Thank you!!!
