Reminders from the office

Please use the office email hesoffice@fivetowns.net when sending in messages to Ms. Cole and Mrs. Downs. This address reaches both of us and ensures that we get any important changes to your child's schedule throughout the day. We do need any changes to your child's regular schedule in writing (email is fine). Also, students must be signed out in the office before they leave the building if someone other than a parent or guardian will be picking them up.

School Lunch

HES uses an online meal accounting system called Meals Plus. This system will allow you to login online and view/pay your child's bill. To begin using this feature please visit: kl2paymentcenter.com You will need to create a user name and password. In addition, you will need to enter your child's unique serving ID number (please contact the office for your child's ID number). Please also choose School Union 69 as the district in the drop-down menu. You may send your payments to the school office or pay the bill online (there is a transaction fee to pay the bill online via Meals Plus). Checks should be made payable to Hope Elementary School. Please contact Ms. Cole with any questions at 785-4081. Thank you!

Lunch is \$2.85 for students. Free and reduced lunch applications are available in the office if you did not receive one with your student's paperwork. The monthly lunch menu is posted on our school website and on our FB page.

Middle School News

In August Mrs. Greenrose submitted a project request to [DonorsChoose.org](https://www.donorschoose.org) in order to build the middle school language arts classroom library. The project was fully funded very quickly and in the second week of school, middle school students received \$585 worth of new independent reading books. Thank you to [DonorsChoose.org](https://www.donorschoose.org) and our supporters. We love the new reading choices!
