Kindergarten News

Kindergarten practices concepts like patterns, shapes, colors, and numbers using a hands-on approach.

Grades 3-5 News

Integrated Studies has begun! Third, fourth, and fifth grade students are working collaboratively to solve unique challenges using the Engineering Design Process. So far groups have competed in the paper chain building challenge and the red solo cup tower building challenge. Integrated Studies is a great opportunity for students to build relationships with their peers, try new and interesting tasks, and challenge their minds.

Library News

Next week, our library is beginning a year long collaboration with Rockport Public Library. Rockport Public Library is allowing us to create a rotating lending library featuring high-interest middle grade young adult books and graphic novels. Youth Services Librarian Ben Odgren will visit our middle schoolers each month and book talk several of these selections. This program will allow our students to have even more access to exciting new titles. These books will have a white band that signifies they are from Rockport and will need to be returned to Mrs. Walsh.

Middle School News

Middle school students in Mrs. Morgenstern's social studies classes learned about the Wabanaki culture by writing and performing skits based on Gluskap fables. According to Wabanaki legend, Gluskap created the land and the people.

We are hosting the Welcoming Library.

ADULT *and* COMMUNITY EDUCATION

We hope everyone has settled into the new school year! We just marked our **50th** year of adult and community education – we were the first in Maine on September 15, 1969 – and continue to offer a selection of both important classes to help people get and

improve their education and workforce skills, and those that are just a fun way to learn something new.

We'd like to call your attention to several important offerings.

- Integrated education and training program for CNA certificate - this program is free to qualified adults.
- Certified Clinical Medical Assistant with CCMA Certification
- Other Certificate programs include: Dental Assisting with RHS, Phlebotomy with CPT, Pharmacy Technician with PTCB, Group Fitness & Personal Training and Medical Transcription

There are many new and returning offerings including our very popular cooking, art, dance and jewelry-making classes, and we continue to offer Drivers Education every month. If you'd like a digital copy of the brochure, or to register for a class, visit our website: fivetowns.maineadulted.org

Dear Educators and Parent Organizations:

Hannaford is so excited to celebrate 20 years of Hannaford Helps Schools in 2019! Since the program's inception, we have raised more than \$12 million for local schools and are looking forward to a bigger and better program this year. You are receiving this kit because you are a registered participant. Within it, you'll find lots of great details and tools you can use to make the program more successful for you.

As a reminder, this program raises FREE money for your school! We encourage you to use the tools we've provided to spread the word about the program, and gain support from parents and your local community.

Please direct any questions about the kit or program to our customer service line at 1-800-213-9040 between 9 a.m. and 7 p.m., or visit hannaford.com/helpsschools.

Hannaford is so proud to support our local schools and help make a difference in the communities we serve. We look forward to making 2019 the best year yet!

Sincerely,
Beth Geary
