“To succeed in life, you need three things: a wishbone, a backbone and a funny bone.”

~ Reba McEntire

Calendar Update

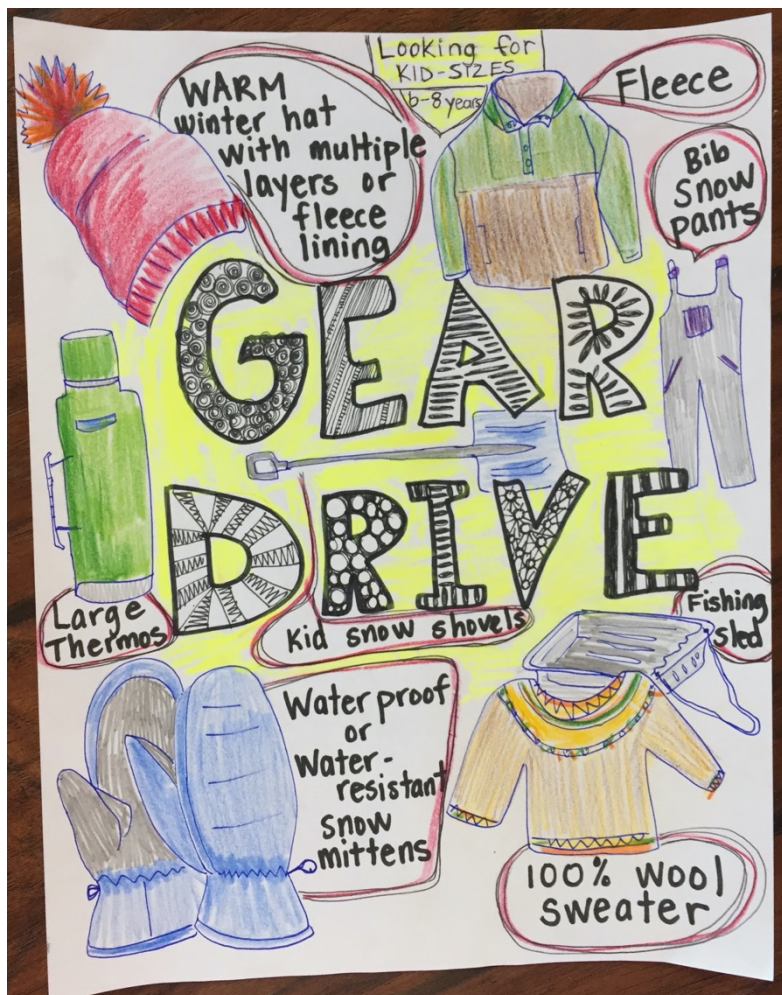

There has been a change made to our school calendar. December 21st, 22nd, and 23rd are now teacher workshop days. Students do not have school on these days. The last student day before the holiday break is now December 18th.

Middle school students practiced remote learning (in school) via zoom last week. They dressed for success on top and sported comfy pajamas on the bottom!

Multi-Age Class News

Ms. Schrader's class celebrated their published narrative stories with an Author's Tea under the Quaking Aspen. We sipped peppermint tea and took turns sharing our small moment stories.

Ms. Schrader's multi-age classroom is looking for donations! The class is in need of specific gear and equipment donations to support their outdoor learning experiences throughout the winter.

Please contact
sarah.schrader@fivetowns.net
if you have anything to donate.
Thank you!

Five Town CSD

ADULT and COMMUNITY EDUCATION

Founded September 15, 1969

We continue to offer a selection of both important classes to help people get and improve their education and workforce skills, and those that are just a fun way to learn something new.

Among our upcoming classes are:

- Integrated education and training program for [CNA certificate](#) - this program is free to qualified adults, and we have a new cohort beginning almost every month.
- [Behavioral Health Certification Training](#) – this course is a great way for parents, grandparents and community members to help make a difference in a child's life – and the need is great in our area.

These classes are offered remotely with ongoing enrollment available for the BHC Training class.

We are very excited to announce the return of Captain License OUPV/Six-pack and Master classes this coming spring! Two free information nights will be held in February, both the info nights and the full classes will be held over Zoom. Sign up for either [February 16](#) or [February 18](#) info night.

We are able to continue holding a few in-person classes safely at the American Legion Hall in Camden. With small numbers and Covid-19 protocols in place, we've been able to offer sewing, craft, nature, art, lecture and language classes with great success – and a wonderful reception. Classes continue through February, then a new semester will begin in March. We also offer a large selection of online classes.

If you'd like a digital copy of the brochure, or to register for a class, visit our website – which also now includes a calendar of classes, both live and remote: fivetowns.maineadulted.org
