Quote of the week:

"What you do not want
 done to yourself, do not do
 to others."

~ Confucius

Sign up for Pre-K & Kindergarten – Fall 2020

Pre-K students must be 4 years old on or before 10/15/20. Kindergarten students must be five years old on or before 10/15/20. Please call the school (785-4081) to place your child's name on our mailing list. Registration will take place in the spring. Please help spread the word throughout Hope.

Second Grade Kindness ♡

Students made valentines in guidance class. They wrote cards to someone special telling them why they are special. Some of the words used to describe someone special were good listener, kind, shares toys, and plays with me at recess.

Spirit Week - Page 2
 Lego Club - Page 3

Library News

5th – 8th Grade enjoyed participating in Blind Date with a book!

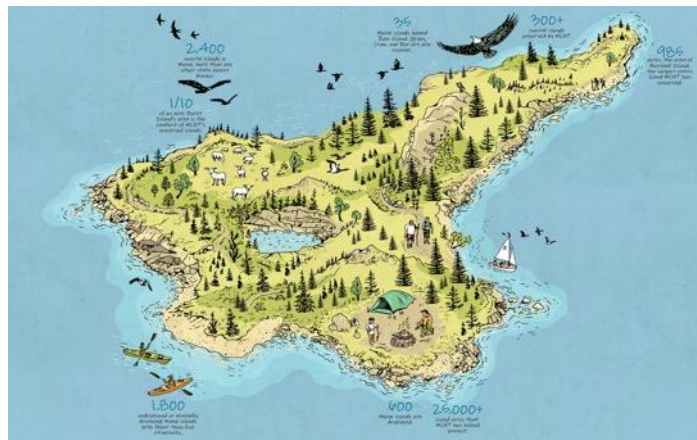

Spirit Week!

Middle School Island Project

Maine has many ocean islands, which means that a good number of Maine residents live a life that is different from those who live on the mainland. Twelve middle school students have undertaken a project to study a Maine island that is not connected by a bridge or causeway. The students are doing research on their own at home and meeting as a group to share information and continue their investigations once a month. They are getting information together to share in a conference for their families and the rest of the middle school in June.

All of the islands have a smaller number of year-round residents with a boost in population in the summer. Some students have pen pals (email pals), others are interviewing island residents, and some are reading books written about their island. The overall purpose is to understand the benefits and potential difficulties of island life. If anyone in the Hope community is connected to any of the following islands please contact Dr. Tee at christine.neville@fivetowns.net and she will put you in contact with the student studying that island: Cliff, Chebeague, Frenchboro, Great Cranberry, Isle au Haut, Islesboro, Islesford-Little Cranberry, Matinicus, Monhegan, North Haven, Roque, Smutty Nose, Swans, and Vinalhaven.

Beginning Monday, February 24th, students in grades K-5 will have the opportunity to join Mrs. C & Mrs. Stanek after-school (2:45 pm - 3:30 pm) for Lego Club!

Students will be grouped based on grade level:

K & 1st - Monday, February 24th

2nd & 3rd - Monday, March 2nd

4th & 5th - Monday, March 9th

Space is limited!

Students wishing to participate should RSVP to Mrs. Cochran at patricia.cochran@fivetowns.net

ChangeMakers is an after school program for kids who will change the world!

We learn about leadership, empathy, mindfulness,
friendship, assertiveness, and so much more!

We use our skills to impact our school community in a positive way.

Last year's group decided to share what they had learned with
the school community by making inspiring posters promoting kindness and
encouraging students to be upstanders rather than bystanders.

I can't wait to see what this year's mighty ChangeMakers do!

10 Fridays, 1:45-2:45pm

February 28 - May 15

Space is limited.

February 26th | 6pm

Camden Rockport Elementary School

11 Children's Way, Rockport, ME 04856

If school is closed or dismissed early due to inclement weather, this event will be canceled

TOGETHER WITH YOUR GIRL, YOU WILL:

- ◆ Sample a fun activity from one of our newest Girl Scout badges
- ◆ Team up with other members of your community to form new or join existing troops
- ◆ Complete your registration and become a Girl Scout!

Discover the Girl Scout Difference:

Girl Scouts offers the best leadership development experience for girls in the world—one that is designed with, by, and for girls.

Girl Scouts unleashes the G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ in every girl, preparing her for a lifetime of leadership.

Our Girl Scout Leadership Experience is a one-of-a-kind leadership development program for girls, with proven results. It is based on time-tested methods and research-backed programming that help girls take the lead—in their own lives and in the world.

The inclusive, all-girl environment of a Girl Scout troop creates a safe space where girls can try new things, develop a range of skills, take on leadership roles, and just be themselves.

Our Program

Everything a Girl Scout does centers around STEM, the outdoors, development of life skills, and entrepreneurship, and is designed to meet her where she is now and to grow along with her.

STEM: Computer science, engineering, robotics, and more.

Life Skills: Civic engagement, healthy living, global citizenship, and communication skills.

Outdoors: Adventure and skill building, including camping experiences for all age levels, from the backyard to the backcountry.

Entrepreneurship: The Girl Scout Cookie Program - the largest girl-led business in the

world - teaches goal setting, decision making, money management, business ethics, and people skills.

Are you ready to take the lead like a Girl Scout right now? Register today at girlscoutsofmaine.org
