A few notes from the office:

- Please send in your child's signed report card envelope (keep the report card) to the office if you have not already. We will re-use them for the next trimester.
- We are in need of size 1.5-2.5 used shoes or sneakers in the office. Lots of kids borrow shoes and that is a popular size range! Thank you!
- There will be an unannounced fire safety drill next week. Mrs. Fagonde will follow-up with an email on the day of the drill.

First Grade News

First Grade has been learning about what animals do in the winter. They sorted local animals into three categories: animals that migrate, hibernate, or adapt and wrote about their winter behavior. Their new science unit is *tracking*. They are just getting started by observing their own boot tracks and footprints.

ESEA Standardized Testing

Hope Elementary School utilizes all assessment data to help inform our practices at the school, classroom and individual levels for our students. Although we encourage students and parents to participate fully in our assessment program, it is important to note that parents/guardians may opt their child out of state testing. If you are interested in doing so, please reach out to Mrs. Fagonde to make this request in writing. The testing window for MEAs is March 16th through April 10th.

Volunteers Needed!

The Hope Library is looking for new volunteers to help staff our little town library. All that is needed is your time and willingness to lend a hand to your neighbors. We are holding two volunteer recruitment and training sessions:

MCWC's Youth Wrestling Program offers a fun, easy, and affordable opportunity for area youth to try the sport of wrestling. This is a good way to be actively involved in a team sport that is focused on individual development.

Some participants may choose to attend the numerous youth tournaments around the state. Tournaments are usually on Sundays.

Wrestling shoes and headgear will be required equipment after the first two weeks of practice. We have some equipment that wrestlers can borrow.

NO EXPERIENCE NECESSARY. Wrestling is a safe sport (less serious injuries per participant than soccer or basketball) that kids of all shapes and sizes can be successful in. Please come and give it a try!
