8th Grade is raising money for their class trip through this site:

<https://www.flowerpowerfundraising.com/index.php/marketplace/seller/profile/shop/hes2022>

First Grade is researching about how birds survive based on their feathers, beaks, and colors.

Fourth and Fifth Grade students had a great time participating in the Camden Snow Bowl's Learn to Ski and Snowboard program. For some children, it was their first time skiing or snowboarding, and other children honed their existing skills. Everyone made great progress and worked hard. We are very thankful to the Camden Snow Bowl and the Hatchet Mountain Ski Club for this fully funded opportunity.

If I could write a prescription after being a part of spirit week at HES:

40ml of good spirits

500cc's of fun

625mg of wacky hair

60 tablets of laughter

and maybe a few Ibuprofen for the teachers after the staff/student basketball game.

I'd also allow for unlimited refills.

As we wrap up this fun-filled week, I'd like to send a reminder to parents that any prescription medications that need to be administered during the school day must be hand delivered to the office or me, by a parent/ guardian, in the original prescription bottle and clearly labeled. We cannot accept medication from students.

If you have any questions or concerns please let me know.

I wish you all a relaxing weekend and we will see you on Monday!

Be well,

Reagan
