The Hope School Song

Adapted by Ellie, Ashlyn, and Isla from
4th grade

**Sing me a song of a hawk that can fly,
Say could that hawk be I?
Determined of heart, we sail on a wind
Over the school we love.**

**Soar to the sky, you and I,
Singing the song of Hope.
We learn, we play – trying each day
With teachers who lead and care.**

**All that is good, all that is fair
All that is Hope is here!
Tell us tale of our teams that win,
Say, could that win be ours?**

**Sing me a song of a hawk that can fly,
Say could that hawk be I?
Determined of heart, we sail on a wind
And enter the school we love!**

**6th Grade trying out their science
projects with Mr. Amundsen**

Summer Reading Homework

To: All HES Middle School students for the
school year 2022-2023

RE: Summer Reading Homework

Dear Students:

Your Language Arts homework for the summer is to read one book (more if you like) of your choice. You should be prepared to complete assignments related to your book in September. You can read any book you like, but please make sure that it suits your grade/reading level (meaning, don't read something that's too easy for you). You are welcome to borrow one of my classroom library books for the summer if you like, just come see me to browse, get recommendations, and sign one out.

I hope you all have a wonderful summer full of swimming and sweet treats and I can't wait to be your L/A teacher again (or for the first time-5th graders 😊) next year..

Happy reading!

Mrs. Thorn

jen.thorn@fivetowns.net

Hope Pre-K students and families enjoyed a terrific morning at Lucia Beach this week. Families played, picnicked and Pre-K students found a hidden treasure! The students, families and staff at Pre-K wish everyone a wonderful summer.

Mrs. Holt's second grade class worked on Maine animal research projects and presented reports about their research this month.

HAPPY SUMMER VACATION!

call - 236-3440 or email alhand@librarycamden.org

ages 4-7 meet 10-11am

ages 8-12 meet 11:30-12:30

June 23rd - Summer Reading Kick-off Join Miss Amy- Herring Gut Learning Center will be here with a Touch Tank and local sea critters.

June 30th - Join us for fun read-alouds & an Ocean themed scavenger hunt & games.

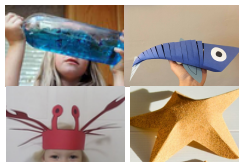

Don't miss out on special shark week activities in July!

July 7th - It's all about the Lobster!
What do you know about Lobsters? Meet a real live lobster and see what a lobster trap looks like and how they work.

Help us put together a giant lobster!

July 14th - Let's Make and launch our own boats! S.T.E.A.M. Using tinfoil we'll construct our own small boats. We'll then launch them at the boat ramp in Harbor Park.

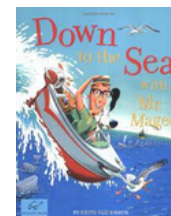

July 21st - Make your own - Ocean Crafts- Join Miss Amy for craft stations in the amphitheater.

Wave bottles, 3-D fish, crab hats, & sandpaper starfish! Bring a 20oz. empty, clean bottle w/cover.

July 28th - Summer Reading Program finale! Join us for a "Down to the Sea With Mr. Magee" storywalk through the park with guest reader Chris Van Dusen followed by a picnic and recognitions.

BOTH GROUPS MEET AT 11am together!!!!

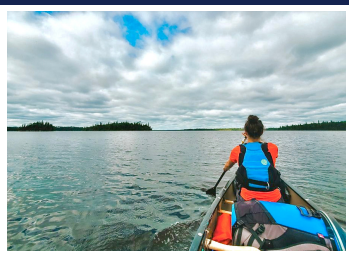

SUMMER 2022

CANOEING WILDERNESS TRIP

Maine Canoeing & Leadership Expedition

for rising
9th - 11th graders

Aug. 7-12

Canoeing is a traditional way of moving through the Maine wilderness. While paddling through lakes & rivers, we will learn the art of Canoe Expeditioning on crystal clear water while camping on pristine sandy beaches. We'll learn paddling & rescue skills and how to navigate through remote & unique wilderness. We'll also build important skills for personal & expedition success: leadership development, team-building, camp-craft, cooking & more!

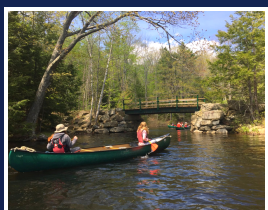

SEA KAYAKING WILDERNESS TRIP

Seas, Skies & Leadership Kayak Expedition

There is no better way to explore the Maine Coast than sea kayaking! We'll paddle through unique pockets of coastline, finding remote islands & sandy beaches to camp on. We'll explore the night sky with telescopes, and learn from our own MountainsSea astronomer! We'll hone our skills as camp cooks (cinnamon buns in the dutch oven!) & expeditionary leaders. This trip will have equal parts fun, personal & group challenge + exploratory science, while developing key leadership skills.

for rising
8th & 9th graders

July 19 - 23

ADVENTURE DAY CAMP

Best of the Midcoast!

for rising 5 - 7 th graders

Aug 1 - 4

We will explore the hills, coast, and waterways of the amazing midcoast! We will canoe, hike, play games and weave together themes of ecology and team-building while making new friends and developing our resiliency as outdoors explorers!

A nature-based day camp integrating ecology, art and play. Children will connect with the natural world, new friends, and themselves during this vibrant 4-day program. Our curiosities will lead the way to new learning, connection and so much fun!

EXPLORER'S CLUB DAY CAMP

for rising 1- 4 th graders

JUNE 27 - 30 & AUG 1 - 4

(choose from 2 sessions)
