**Shoot-a-thon!**

Help support the HES  
 8th grade's goal of  
 raising \$1,500 for their  
 class trip!

## Visit to Mid Coast School of Technology

Last week the 8th grade class toured MCST. Students were able to watch several programs in action before participating in a student panel that included two HES alumni (Sierra and Asa)! It was wonderful to hear about their experiences attending MCST and how doing so has not only benefited them as high school students, but also how it will support them with future endeavors.

## Integrated Studies

3rd, 4th, and 5th graders have been working on Kinetic Sculptures during Integrated Studies. This afternoon, they will test their designs using hair dryers! Thank you to everyone who contributed their recycling products to this project!

## Hope Elementary School Menu
