Thank you to everyone who helped to make the Hope Elementary School Garden Club plant sale a success. We raised over \$650 to benefit our school gardens. The left-over plants were donated to the Rockport Garden Club for their upcoming plant sale. Proceeds from that sale will go to scholarships for upcoming graduates. Please help support their efforts as Hope students are eligible to apply and have often benefited in past years.

Summer Ecology Camps are a collaboration of the Knox-Lincoln Soil & Water Conservation District and Merryspring Nature Center

FIVE TOWN FOOTBALL

Five Town Football is excited to announce that we will be hosting the annual Jammer Camp at True Park in Hope (Church St).

This will be held the evenings of July 11-13 from 5:30-7:30pm. This camp is focused on skill development and conditioning drills to prepare for the fall football season. It is an opportunity for grades 4-8 athletes in the five-town community to participate in preseason football skills and drills. Registration is now open on our website: fivetownfootball.com

FTF will again offer an 8-man tackle football program for the 4-8th grade graders this fall, starting with equipment day August 13th. The 7th and 8th grade middle school team will participate in a school-based league.

Five Town Football is a non-profit organization funded entirely by local donations and can offer scholarship monies based on need to cover the registration fee. If interested in either program, becoming a sponsor or a volunteer –visit our website www.fivetownfootball.com and find us on facebook.

Thank you to Partners for Enrichment for sponsoring author Rebekah Lowell for a visit with our middle school students last week.
