A note from Principal Fagonde:

Dear Parents,

Safety is of utmost importance to us at HES. While we understand the sense of urgency some feel with needing to get to work on time each morning, it is imperative that we collectively work together and adhere to certain protocol to ensure the safety of staff, students and parents.

- Please do NOT drive around other cars in the unloading/loading zone OR in the line along Highfield road UNLESS you are directed to do so by a staff member.
- Remember to NOT block the bus entrance.
- Please ensure that your child remains seated and safely secured in their car restraints until the vehicle has come to a complete stop in the unloading zone.
- Please await the go-ahead from a staff member before allowing your child to exit the vehicle.

Thank you for your help with keeping our community safe!

PICTURE DAY – SPRING ONLY

HES Student & Family Check-in Survey

As we get the school year underway we wanted to check in to see how families are doing. Below are a few questions to help us gain some insight into where students and families are at and how we might be able to best support them during this time.

Thank you for taking a moment to respond and as always, please don't hesitate to reach out should a need arise at any time this year.

WEEKEND MEAL

an AIO Program

Call for Open Enrollment

The Weekend Meal Program (WMP) is currently offering open enrollment to students in Knox County for the 2020-21 school year. Run by AIO in Rockland, this program aims to provide Knox County students with a bag of healthy, shelf-stable foods to bring home over the weekend.

Working in partnership with your child's school, WMP will deliver a meal kit every Friday to enrolled students. Families can expect varying menus each week and an assortment of nutritious, ready-to-eat or easy-to-prepare, child-appropriate items for breakfast, lunch, snack & dinner. There is no cost to families or schools to enroll. Simply fill out the permission form below and return to your child's school. Our first meal kit delivery will be Friday, September 25, 2020.

If you would like to participate in this program, please *check the permission box below*, sign and return this form to school. If you were participating in this program last year, you need to re-enroll by filling out this form.
